Start Up Burned-Out Frankfort Sink Plant

With two-thirds of its working space destroyed by an explosion and fire on Wednesday of last week, the S. & S. Sink Top Co., U.S. 45, of Frankfort, was back in business again this week.

At a meeting of Frankfort fire department officials and deputy state fire marshals several hours after the fire had been extinguished, it was estimated that the damage would run between \$300,000 and half a million, according to Acting Chief Lynn Kohlhausen.

It was agreed that a spark or flame from some piece of equipment plus a combination of dust and possibly glue and solvent fumes in just the right mixture, set off an explosion that demolished walls and collapsed roofs. A flash fire followed that engulfed all but the north end of the plant.

The explosion occurred at 7:05 a.m. in the vicinity of a bank of air compressors which were situated just west of the office section in the first or south end of the plant. Frankfort firemen were at the scene at 7:09. It should be explained that the plant was built in three sections, each containing 10,000 square feet. The company was starting another addition, this one containing 20,000 square feet, at the north end of the plant but the work was held up by the strike of the heavy equipment operators.

The company employs

approximately 125 persons. When the explosion occurred there were approximately 50 workers at the rear of the middle section, perhaps a half a dozen in the area near the compressors, and 17 truck drivers, shipping clerks, and other employees in the office, checking their days orders. The office personnel was not due until 8 o'clock.

Gene Hug, 29, Mokena, a truck driver, related that he was sitting at a desk when he heard a thump.

"It sounded like a door slamming," he said, "Then I saw a door across the hall go sailing and then there was this sheet of flame. It seemed every place but I only saw that for a moment because it was then the roof came down. Some of the others said the roof was resting on my shoulders. We all stood up and apparently lifted the roof enough, anyway we walked out. There wasn't any wall, at the side or in front to stop us."

Everyone that was inside the building fled. Eight of the workers suffered burns or shock:

Duane Browell, 26, 214 Water St., Wilmington; his father, George Browell, 59 E. Cass St., Joliet; Barbara Sims, 25, 18 York Av., Joliet; Sylvester Lee, 1414 Fairview Av., Lockport; Darrell Sharp, 19, 108 Oakview Av., Joliet; Ronald Ziegler, 35, 611 Ogden, New Lenox; William Jacobs, 211

S. Eastern Av., Joliet, and Fred Lutger, 18, 416 Locust, Frankfort.

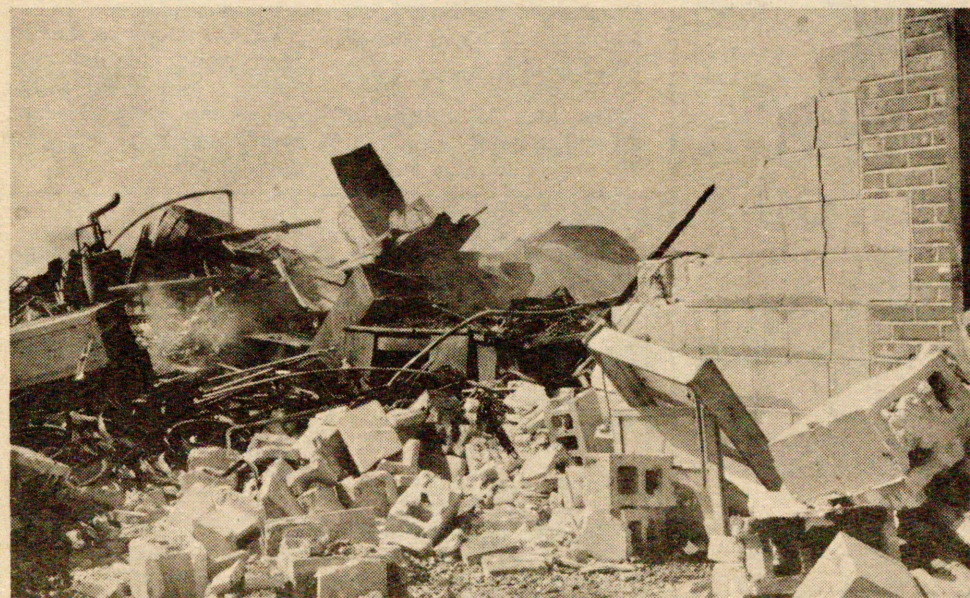

Only Duane Browell and Lee are still hospitalized.

Gerald and Nathan Sager, brothers who own the sink top company, expressed their appreciation for the help given them. Westlund Wholesale, next door north, and Standard Industrial Compound have provided office space, and Harry Gansel

has made the Oregon Seed warehouse on U.S. 45, north of U.S. 30, available for storage and operation of the marble division of S. & S. which was moved out of the north section saved from the fire. The sink top operation now occupies that area. Work on repairs was begun before embers had cooled and some sink tops were being built last Friday with full operation resumed Tuesday.

The Frankfort fire department expressed gratitude to the volunteer departments that aided them, New Lenox, Mokena, East Joliet, Northwest Homer, Orland Park, Manhattan and Matteson. There were 75 firemen working at the scene.

The fire was under control in about 40 minutes. Approximately three-quarters of a mile of hose was laid to reach the blaze and it was necessary to hood a pumper about the middle to get pressure at the fire. The nearest fire hydrant was on Nebraska St.

WHERE FIRE started that destroyed the S. & S. Sink Top Co. plant at Frankfort on Wednesday of last week, just back of the office where there were several air compressors. There was an explosion and sheet of flame. Walls were blown outward and the roof collapsed. Gene Hug, 29, Mokena, a truckdriver was seated at this desk (arrow) when the roof came down on him and 16 others that were in the office at the time. They pushed, the roof gave and they walked out.

Arbury Hills

Parade Marks Opening Of Baseball Season

ARBURY HILLS
MRS. EDWARD HOVI
Telephone: 479-5740
The opening of the baseball season in Arbury Hills proved to be a rousing success. Even the weatherman aided the day with perfect weather.

The parade was living evidence of the efforts of Mrs. Joe Arcuri and her commit-

tee; Mrs. Bud Cumbee, Mr. Fred Larsen, Mr. Joe Mangano, Mrs. Robert Lindemann and Mrs. Herbert Neumayer.

The three nearby mayors; Mayor Book of Mokena, Mayor Warning of Frankfort, and Mayor Fullerton, formed the board of judges for the entries in the parade. The three winning entries were: Best entry overall, Tinley

Park State Hospital; Best of floats, The Belvedere Room Beauty Salon; and Best marching group, the Tinley Park V. F. W. Marching Group called The Diamonds.

Following the parade and the judging, were the two baseball games. In the first game the two Arbury Hills Farm Teams of eight year olds were pitted against each other. The Wildcats team came out on the long side of an eleven to one score over the Angels team.

In the second game the Arbury Hills Sox, the "A" team of nine to twelve year olds, played the Lincoln Estates team. Larry Larsen, the Arbury Hills pitcher, showed how the game of baseball is played, when he struck out fifteen opposing batters, and added one of the two Arbury Hills home runs. Blake Tekotte was the musclemann who hit the other home run. Our boys ended the game with an eight to one score in their favor.

The Cub Scouts closed their scouting year with their own version of the Fun Fair last Saturday afternoon at the school. The boys and their den mothers put in many hours of time and work in its preparation, but their efforts were repaid with a totally successful afternoon. In addition to the booths and refreshments available there was the awarding of badges earned by the boys during the past month.

All the parents of the boys are sending a silent vote of thanks to all the generous adults who have given so much of their time to the scouting program this past year.

The Boy Scouts will have their monthly newspaper pick-up next Saturday morning, June 4. If you have any newspapers, magazines or catalogues to contribute to the collection, please have them bundled in some manner and placed at the garage door before 9:30 a.m.

The Junior Girl Scouts of Troop 289 had a practice run for their up-coming overnight campout at Hawthorne Ridge, with a backyard overnight campout last weekend and finished the morning after by cooking their breakfast.

The Cadette Girl Scouts are busily working to prepare for their three day campout trip to Apple River during the middle of June, from June 13 to 17.

The First Nighters will have their June meeting at the home of Mrs. Franklouis of 19530 South Poplar Avenue next Thursday evening, June

9, starting at 8:00 p.m.

The secretary's book of the Arbury Hills Baby Sitters Cooperative changed hands from Mrs. Richard Boothe to Mrs. Jack Cook yesterday, June 1. Any member of the group needing a baby sitter during the month of June should contact Mrs. Cook at 479-5329 at least twenty-four hours in advance of the date needed.

The Arbury Hills Civic Association held their final meeting before the summer break at the school on Tuesday evening, May 24. Much ground was covered in the one and one-half hour meeting.

The library committee reported that we in Arbury Hills are too late to join Mokena's library committee in the formation of a joint library for Mokena and Arbury Hills. There is to be a library board formed at the end of July at which time further discussion may be possible.

The beautification committee reported on the progress made to make our entrances more attractive and also to enable the residents to see the entrances more visible at night. As we all know the marking signs have already been erected with the aid of several local men, and the gas lights should be put in shortly by the gas company. It was also reported about the cost of installing and maintaining the lights.

The dance committee reported that the dance band had been engaged. They are a college group calling themselves "The Hillites". Because of the needs for steady funds for the beautification committee, the residents are particularly being asked to purchase tickets for the dance. The cost is only \$1.50 per person, and the proceeds will be used to further the beautification committee's work.

It was also reported that there will be a large map of the area posted at the entrance and the activities sign will be renovated, bringing the information up-to-date.

It was decided following the report of the committee to obtain a clean-up rubbish pick-up that the quality of service presently being given the residents of Arbury Hills by the scavenger company, warrants further investigation of the possibility of a rubbish pick-up given by the scavenger service now servicing the area instead of changing to a new service. There will be further reports from the committee when the Civic Association reconvenes in

the fall.

The roads committee report was given of a meeting with Mr. Yunker, the township road commissioner. He told the committee that the roads in Arbury Hills had been accepted by the township since the remainder of the roads had been paved.

The quality of the roads is good and maintenance thus far is at a minimum, however as repairs are needed,

the township now is required to make any needed repairs. Mr. Yunker asked that anyone here seeing the need for a definite repair please contact the Civic Association, which will in turn notify the township road commissioner. He also stated that there would be new yield signs erected near the entrances to slow traffic somewhat and make the road safer for the residents.

L-W Addition Contracts Let; Add Up To \$478,380

The Lincoln-Way High School board awarded contracts for the addition to the present school plant at its regular session last Thursday (May 26) night. The total figure comes to \$478,380. Since the bond issue for the building program totals \$495,000 it will be necessary for the board to trim the project, it was said. The base bid figures that

make up the \$478,380 total include numerous alternates. By dispensing with some of these alternates, Supt. A. Hunter Chapman said, the board will be able to reduce the cost.

The bids are for construction of the addition and do not include the architects' fees, legal fees, landscaping and furnishings.

There were six bids on the general contract and Robert G. Regan Co., Joliet, was low with a bid of \$269,800. The high bid was \$307,703, submitted by M.A. Lombard & Son Co., Chicago.

Five contractors bid on the plumbing contract and it was awarded to Naal Plumbing Co. of Joliet. Its bid was \$89,980. Second low was \$96,000 and the high bid was \$119,620, submitted by C.J. Erickson, Chicago.

Five bidders also competed for the heating and ventilating contract. Beverly Heating Co. of Crestwood was low with a figure of \$61,600. High bid, submitted by Wacholz Co., was \$79,600.

Contract for the electrical work went to Gaines Electric Co., of Crete. Its bid was

\$57,000. There were five bidders and the highest was Norris Electric of Joliet, \$68,000.

The board will now study the alternates with a view of eliminating some of them.

Work on the general contract will begin when the strike of heavy equipment operators is settled.

The proposed new well and sewage disposal plant required by the state to meet the steadily increasing school population add considerably to the cost.

Mokena Voters To Ballot On 3 School Propositions

The Mokena Board of Education in cooperation with the Lay Citizens Committee have called for a special election to be held on Saturday, June 18, from 12 noon to 7:00 p.m. The polling place will be at Carpenter Street School.

There will be three propositions which the board feels are of vital importance to Mokena school children. One ballot will ask voter's approval for a 21 cent educational rate increase. This will raise the maximum 86 cent rate now being collected to \$1.07. This increase is necessary to keep up with the rising cost of supplies, furnishings, and equipment needed to provide Mokena children with an education for today's complex world, the board states. It would enable the district to hire the new teachers necessary to keep up with the increased enrollment which surveys show will continue for many years.

If the educational rate is increased, owners of a \$12,000 home will have an increase in taxes of approximately \$13.86 per year, or \$1.15 per month, or 26¢ per week to improve the education of their children, a board spokesman said.

"At the present time Mokena school district's educational tax rate is one of the lowest in Will County, the board spokesman said. "Even the most frugal budgeting cannot provide much over the minimum in educational advantages with no additional tax money to keep up with today's expanded educational demands. Also, most of the six districts with lower tax rates have a heavy concentration of industry in their area which keeps tax rates lower while providing more dollars for education. Mokena with relatively little industry must rely on the support of individual taxes to operate its educational system."

A second ballot will ask for voter's approval to build a six-classroom addition to Willowcrest school. This is said to be the most economical way in which the classrooms needed to keep up with the increased enrollment can be provided. Much of the heating and plumbing for such an addition has been provided in the existing building and the community will now be able to take advantage of advanced

HEAD VFW organizations for the coming year, Mrs. Helen Karlson was installed as president of the Women's Auxiliary and Allan Lawson as Post Commander of the William Martin Post 725 at a buffet dinner, May 21, at the veterans hall.

Death Takes H.W. Stelter Of Frankfort

Herman W. Stelter, 76, of Frankfort, died suddenly today (May 26, 1966) at his home, 210 S. Oak Street. Born in Tinley Park, Mr. Stelter had lived in Frankfort for 14 years. He spent his working career as a farmer. Surviving are his widow, Charlette of Frankfort; One daughter, Marcela Corbett of Chicago; three sons, William of Skokie, Walter of Travis City, Michigan, and Edger of Champaign; a sister, Elizabeth Mager of Tinley Park, and a brother, Edward of Harvey.

Removal was to Hirsch Memorial Chapel, Chicago Heights. Services were held at the Good Shepherd Lutheran church, Frankfort, at 2 p.m. on Saturday with burial in Skyline Memorial Park.

Hire Teacher At Frankfort; Will Coach Too

Wayne Hendricks of Atlanta, Ill., has been employed by the Frankfort school district to teach junior high social studies and to assume head coaching responsibilities.

Mr. Hendricks has three years teaching experience in Atlanta Community Schools. While at Atlanta he taught junior high social studies and coached both grade school and high school athletic teams.

Mr. Hendricks and his wife are planning to move into the community during the first part of June.

Distribute Prizes For Turtle Derby

Janet Nissen was the winner of the top prize in the annual Turtle Derby sponsored by the Frankfort Lions Club as a part of the Memorial Day program in that Community.

The affair was held in the gymnasium of Frankfort Grade School. The turtle for which Janet was "jockey" was sponsored by Standard Industrial Compound. Her prize was a bicycle.

Second prize, a transistor radio, was won by Craig Warning, with a turtle sponsored by Warning Chevrolet and third prize, a slot car race set went to Gerry Nissen, with a turtle sponsored by Frankfort TV Clinic. There was also a fourth prize another slot car race set, which went to Guy Burgh, who had a turtle sponsored by Don Outlaw. The cash prize of \$20 went to Lloyd Brandau, Jr.

A \$5 fee is charged for each turtle entered in the event. Net proceeds are used by the Lions for park improvements and charitable enterprises.

There was a parade at Frankfort in the morning and tribute paid to the war dead at the cemetery. A firing squad to loose the traditional volleys was provided by Bobzin - Swinford Post, American Legion. A wreath also was laid at the monument of the village hall.

Volley ball and baseball games followed in the afternoon at Frankfort Community Park. Four church teams competed in volley ball, St. Peter's United Church of Christ, Frankfort Methodist, Good Shepherd Lutheran, and St. Anthony Catholic. St. Peter's team was the winner. The Lions, giving away a lot of years and weight, took on a Colt team from Frankfort and while the Lions scored a run in the first inning it is assumed that the youngsters won.

Frankfort Library Issue Wins, 99-94

A proposal to establish a tax-supported village library at Frankfort won approval in a referendum last Saturday. The proposition carried by five votes, 99 to 94. A total of 196 votes were cast, with three spoiled ballots.

Six trustees or directors were also elected. It was explained prior to election that time was lacking to have the names of the candidates printed on a ballot so the names would have to be written in. The name of six candidates were made public and these people were elected.

The six drew lots for the staggered terms. A library director is elected for six years ordinarily with an election coming every two

years. Those elected last Saturday, and their votes: Serving thru 1967: Pearl L. Cheney, 81; Ralph D. Dralle, 76.

Serving thru 1969: Marian E. Kohlbacher, 75; Dorothy W. Woodman, 75.

Serving thru 1971: Patricia A. Gilliam, 75; Dr. Irving Rudman, 79.

The library board can levy a tax rate of 12 cents per \$100 equalized assessed valuation.

Now that Frankfort's library has become tax supported it can participate in the benefits offered by the state and a regional library set - up. The Frankfort library has been existing on public donations.

20 Years Fire Chief, Kohlhagen Resigns

After 20 years of service to the Frankfort community as chief of the Volunteer Fire Department, Fred Kohlhagen, has resigned. He tendered his resignation to the trustees of the Frankfort Fire Protection District and gave notice to the members of the department. That was on Tuesday, May 24.

But he was on hand when the department was called out the next morning on the S. & S. Sink Top Co. fire--not in the capacity of chief but as one who has answered so many fire alarms that it is like second nature to respond.

His son, Lynn Kohlhagen, a member of the village board, and for several years now has been assistant chief of the fire department, is the acting chief. He was nominated for the post by the members of the department and it is expected that the appointment will be made officially when the trustees hold their next meeting. The chief-elect has been a mem-

ber of the department for 17 years.

In his letter of resignation, Chief Kohlhagen said: "It is with deep appreciation to the many volunteers who served under me as chief for the past 20 years that I submit this letter of resignation."

"After as many years as I have served the department you can appreciate the reluctance and mixed emotions that go along with resigning."

"Like any old fire horse, I'm sure I will always continue to experience the sudden impulse to go when the whistle blows."

"Due to the fact that I have been chief for many active years, I feel I can best serve the department in an honorary capacity at this time. I do hereby submit my resignation as chief of the Frankfort Fire Protection District and as volunteer of the Frankfort fire department."

Lions Club And PTO Sponsor Free Clinic

DOLORES ANDERSON
Telephone: 485-2365

The New Lenox Lions Club and the New Lenox PTO will jointly sponsor a free clinic for testing vision and hearing of children ages 3 1/2 to 6 years. The Will County Health Department will provide certified technicians to conduct the screening tests.

Parents who wish their children to participate must register them on June 14, 1966 from 9:30 to 11:30 a.m. and 1 to 3:30 p.m. at the Oakview school, 809 North Cedar road in New Lenox. It will not be necessary for the children to accompany the parents at the time of registration.

The vision and hearing tests will be given on June 21, 22, and 23rd. A set of training cards and instructions for their use will be given to the parents when they register. These cards will teach the children to identify the symbols used in the test.

The vision screening program is geared to detect near - sightedness, amblyopia, and crossed eye. Amblyopia is a condition which may result in blindness in one eye. If the condition is not discovered and treated before the child is

6 years old, chances for recovery are poor.

From the hearing screening, it is possible to estimate whether the child hears with adequate loudness and clarity.

The sponsoring organizations urge all parents to take advantage of this clinic in behalf of their children. If you do not have a child at this age level, pass the information on to friends and neighbors who may have preschool age youngsters.

memory of our beloved son, Ronnie,
who passed away 10 years ago, May
26, 1956.
No one knows the silent heart ache
Only those who lost can tell
Of the grief that's borne in silence
For the one we loved so well
Till memory fades and life departs
You will live forever in our hearts.

Hounds To Race At Dog Show

On Sunday, June 5, the 17th annual All-Breed Dog Show and obedience trials will be held in the Fred A. Francis 4-H Field located on Francis Road approximately one mile east of Cedar Road in New Lenox. Judging will start at 9 a.m. for obedience and 10 o'clock for conformation.

This will be the first year Afghan racing will be held in conjunction with the show and Mr. and Mrs. Henry Guenther, R.R.#2-Hillcrest Lane, Lemont, have their black Afghan hound entered in both conformation and racing.

The Afghan hound ranks with the Whippet and Greyhound in speed when going after game. However, where the Afghan may be passed on open flat country, it makes up for this in hilly terrain, leaping over rocks and streams, still maintaining speed.

The Afghan hound is one of the oldest types of dogs known to man being depicted in ancient Egyptian art tracing to before the time of Christ.

Open Letter from the Hirschs

Dear friends,

The desired funeral director should be called with out delay, by the next of kin, immediately after death occurs.

He can begin to relieve the family of the many details and arrangements which crowd in upon them at this difficult time.

As the doctor's presence is helpful in time of illness, so too is the funeral director's presence reassuring and helpful in this hour of grief.

Respectfully,

Edwin J. Hirsch
